

## JERRY REYNOLDS

Jerry and Paula Reynolds, along with their family, first visited Eleuthera in 2008. They fell in love with the island immediately and began planning to return. After several more extended visits over the next few years, they decided to move to Eleuthera full-time, where they made a home and enjoyed island life for many years. Today, Jerry spends much of his time in central TX and the rest in Eleuthera. Jerry has served on the board for the last 4 years and is interested in serving another term to continue the work of making our community a great place to visit and live. He'd like to use the next 2 years to build on the accomplishments of the current board and continue the work of repairing roads, adding low-cost amenities as requested by members, and positioning our association to thrive in the future while staying as small as possible. Jerry feels the board's job is to be as minimally intrusive as possible into its members' day-to-day lives while serving the interests of its members. Jerry and Paula will be empty nesters next year and plan to spend much more time enjoying the island life of Eleuthera. Thanks for the opportunity, and I look forward to seeing everybody at the AGM.
