

## WILL ARCHER

Will Archer is a seasoned executive with over 30 years of leadership experience, specializing in digital transformation and strategic innovation within the public, private, and nonprofit sectors. As President and Chief Evangelist for Greater Everyday Consulting, he excels at mobilizing high-level partnerships and scaling initiatives. He is also a member of a number of professional boards and organizations, including the National Artificial Intelligence Association, Prince William Chamber of Commerce, and Rotary International. He holds a Bachelors in Public Policy from Arcadia University, a master's from Wesley Theological Seminary and he is a current Doctoral candidate at Virginia Theological Seminary. He has been married to the woman of his dreams Tosha Archer for 26 years and the couple have two adventurous children.
